

Garden bed price list

Garden beds are available in both round and slimline designs. We use one corrugated sheet width for our garden beds giving a perfect height of 800mm.

The beds come open ended and fully assembled ready to be dug into your garden or lawn. We can add a stainless steel base at extra cost should you wish to have the bed on a hard surface. Please enquire when placing your order.

For your safety all our garden beds have a safe edge on the top corrugation

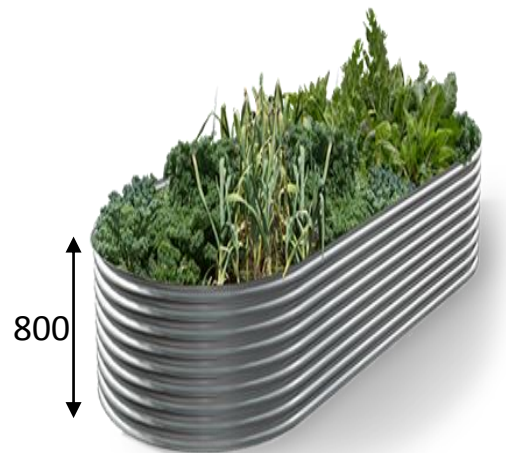

Round Garden beds

Dia(mm)	Price (Inc GST)
1000	\$331
1200	\$389
1400	\$419
