# CORRO CUBE GARDEN BED

BY DESIGNER TANKS PTY LTD

The Corro Cube is an elegant, cost-effective, and easy to maintain garden bed that will last you a life time.

The key benefits include the false floor requiring much less soil to fill, great working heights, super strong with an aluminium welded chassis and sturdy large rivets. The Corro Cube can also be made with wheels to make it easy to move around the patio if you need to chase the sun.

With our a mixed range of sizes you will find it easy making your courtyard, patio or deck the perfect green space.

*Let your imagination go wild with an array of design capabilities*
